👤 SERVES 2 servings

Apple Peanut Donut Bites are a healthy, no-bake snack made with fresh apple slices shaped like a donut, slathered in creamy peanut butter, and topped with nuts and dark chocolate chips. Perfect for a light breakfast, afternoon snack, or a kid-friendly treat.

INGREDIENTS

- 1 large apple (Fuji / Gala / Honeycrisp)
- 3-4 tbsp peanut butter (smooth or crunchy)
- Almonds or mixed nuts, chopped
- Dark chocolate chips
- Honey (optional)

TOOLS

- Knife
- Apple corer (optional)
- Cutting board
- Spoon

INSTRUCTIONS

Step 1 - Slice the Apple

Wash the apple thoroughly. Slice it into thick rounds, then remove the core from the center to create donut-shaped rings.

Step 2 - Spread the Peanut Butter

Using a spoon or butter knife, spread an even layer of peanut butter over each apple ring.

Step 3 - Add the Toppings

Sprinkle chopped nuts and dark chocolate chips evenly on top of the peanut butter.
